Consent to the George Town Neighbourhood House

- collecting my personal images by photography or video recording
- using my personal images in any internal or publicly available form and medium
- retaining and storing the images and recordings in hard copy or digitally

And understand:

- that no personal information about me will be made public unless I explicitly agree
- that my consent for future use of my personal images can be withdrawn at any time
- that my consent cannot be withdrawn for previous use of my personal images
- that I will not receive any payment, royalty or other consideration for these images
- that my personal images may be used without acknowledgement
- that personal images on the internet are available world wide

I have had this form explained to me to my satisfaction and I am signing this Photo and Video Consent Form of my own free will.
