Kindly Printed by Bridget Archer MP, Federal Member for Bass Please note this newsletter is a snapshot of what we offer please see our website for more services.

What we learnt at conference

We had an excellent conference and came back with some great ideas the house can use to bring more programs to George Town that are informative and useful. The main focus of the conference was sustainability, so you will see some extra added focus on our garden . One amazing tip is to check if the energy plan you are on is

the best option for you.

Head to **www.energymadeeasy.gov.au** and it will compare all the energy plans that are available to you and tell you what each would cost you approximately per year based on your current usage. You would need a power bill handy to do this. If you would like help to look at this book an appointment with one of our staff.

HAIRCUTS FOR THE HOMELESS
